The screenshot shows the Gridinsoft Anti-Malware application window. The title bar reads "GridinSoft Anti-Malware (32-bit) 4.1.6 - Computer Scan - Completed". The interface has a dark blue header with navigation icons for Scan, Protect, Update, Tools, Settings, and Info. Below the header, a message states "Quick Scan finished: Your system is at risk!". A summary box on the right shows "10 threats" and "1 PUPs*" (also detected 13 junk files), with a total of "24 harmful objects". A "Clean Now" button is visible. The main area displays a list of detected threats, including Trojan.PL.Gen.bot and several Adware.RPL.Gen.v1 instances. At the bottom, a status bar shows "2485 scanned items", "10/1 detected threats", a timer at "00:01:37", and an "Ask for help" button with a "24h" icon. A "Leave without cleaning" link is also present.
